

Nature Program; Price list

As of July 1st 2016

Information is subject to change unannounced

About hikes and other activities

- Details (such as duration, routes of hike, combination of several activities etc.) can be flexibly modified and adjusted to the needs and wishes of a group.
- Activities with asterisk (*) principally (but not compulsorily) require the recreation insurance recommended by us.
- For *Fuji-sampo* our microbus (max. capacity 28 persons) can be utilized with an additional fee. (A driver is provided as well.)

About price

- All prices include tax (8 %).
- The price list is valid for groups of more than 10 persons. In case of smaller groups the minimal charge for 10 persons will be imposed.
- The duration also includes the time for transportation.
- The price consists of a lecture fee and cost of necessary materials. Lunch box and insurance are not included. (The cost of lunch box(es) for staff members is inclusive.)
- Children under 3 years old are free.
