

Reservation information

2025/10

The following information is subject to change unannounced.

Legitimate period of reservation

There are various time windows for submitting an initial reservation form depending on size and purpose of a group:

| Description of groups | Starting date of reservation |
|--|---|
| Individuals or small groups (up to 15 people) | 3 months prior to arrival date |
| Large groups (more than 15 people) | One year prior to arrival date* |
| Day use (without overnight) | 2 months (in August and September, 1 month) prior to visit |
| Wedding ceremony and other parties | 6 months prior to event |

* We accept your reservation form **one year prior** to the desired arrival date. Please give us **three possible dates** of your stay in the order of your preference. Upon receiving all request forms we will make some arrangement and adjustment between the groups. After this process, about **6 month before** the wished date of the arrival, we will contact you with our final offer. In addition please be aware that in some cases, especially during the high season of July and August, your request may unfortunately not be reflected or fulfilled.

Booking fee

A booking fee is necessary only for large groups. When a reservation is temporally processed we will send an invoice with the amount of booking fee and the deadline for the payment. The reservation is finalized upon the confirmation of the payment. Calculation of booking fee: [Number of guests] * [Price for one night and two meals (incl. tax)] * [Number of night(s)] * 30 %.
