West-Japan Flood Disaster Relief Campaign

*Positive Net - supporting
people in need across Japan*

Positive Net
The network of good - willed proactive people respecting individuality and bringing out the best of one another.
YMCA changes the energy of people's mutual bond into a hope in the community.

upper: Hiroshima City Volunteer Center for Disaster Response
lower: Hard work after flood remains with massive sediment

We accept your donation from July 14th to October 31st

Unprecedented heavy rainfall in July in Western Japan brought devastating floods and landslides. 220 lost their lives and 9 are still missing as of July 31st. And 3,700 people are still forced to stay at shelters as of August 2nd.

Together with Hiroshima YMCA and YMCA Setouchi (Okayama) both in most affected areas, Japan YMCA will collectively work together in affected areas for relief work and long-term rehabilitation.
